

PSSA Team Selection Policy

18 March 2022

- Students can only trial for one sport. However, if there are player availabilities in other sports, students who are not selected may be invited to participate in a sport for which they did not trial.
- Students do not have to participate in the sport outside of school to be eligible to trial.
- Selections will be made based on the performance of the student at trials.
- Where there are two students of equal ability, the student from the higher grade will be selected.
- The number of students selected to fill each team is stipulated by the rules of Ku-ring-gai PSSA.
- The number of teams registered is determined by the availability of PSSA coaches and appropriate teacher/pupil ratios.
- Year 6 students may be given priority selection if they trial for the same sport two years in a row.
- Once selections have been made, decisions are final and must be respected.
- If a student is unable to attend either of the two trials due to COVID isolation, please email the school with attention to Mr Sillato. In your email, please indicate which sport your child wishes to trial for and their playing experience. We will endeavour to provide additional sessions on a Friday afternoon to accommodate students who have been absent.
- **Teams will be finalised by the afternoon of Friday 1st April in readiness for competitions commencing the following week.**
- Once teams are finalised, no further considerations will be made.
